

MAKE: GASTON'S CAVE

You will need:

White paper or newspaper - PVA glue -
Green and grey paint - Colored card - Scissors
- Bowl - Plastic bag - Sponge

1

Cover an upside-down bowl in a carrier bag, then paper mache 3 layers, letting each layer dry before starting the next.

2

When dry, pull the paper mache off the bowl, and pull out the paper bag. Now you can use a sponge to paint it different shades of green.

3

Cut rock shapes from sponge and coat them in grey paint. Then stick them to Gaston's cave.

4

Don't forget to cut a door!
Add some extra flowers to
decorate and let Gaston
explore!
